

**NUECES COUNTY JUNIOR LIVESTOCK
SHOW OFFICIALS**

Howdy!

Welcome to the 82nd Annual Nueces County Jr. Livestock Show & Sale. On behalf of the Directors and Staff, I wish to extend to everyone an invitation to come out and enjoy the fun and excitement of the largest county show in the State of Texas and the nation.

As President, I want to thank all those who donate so much of their time throughout the year and especially during the Show. Supporters, who contribute to our youth's future, Club Leaders, Ag Science and FCCLA Teachers, County Extension Agents and Parents who work with our children and the hundreds of volunteers working behind the scenes, your unending dedication and support is a continuing testimonial that children learn by example.

We are proud of this Show and the progress it has made over the past 82 years. From the beginning in 1936 when fourteen youths exhibited their projects on Main Street in Robstown, TX, to an organization that hosts a Show with over a thousand exhibitors annually, we along with our children have grown and matured tremendously. Through participation, we have learned responsibility; through maturity, we have learned to lose with dignity and win with humility. With our involvement in this great Show, we have learned that the greatest gift we can ever give to our children is our Time.

The Show's continued success proves eighty-two years' worth of time well spent. Each year after the Show, our Board of Directors, with the guidance of the Scholarship Committee, awards educational scholarships to youth who apply and have met the criteria, as needed. Managing the Scholarship Fund is the Coastal Bend Community Foundation which was established in 1991. Since the establishment of the Scholarship Fund, 528 scholarships have been awarded totaling \$1,237,550.00. In the past five years alone, almost \$400,000.00 has been given to 120 deserving youths in our county. A big thank you and job well done to the Scholarship Committee and all Supporters of the Scholarship Fund.

Many families are in their fourth and fifth generation of participation in our Stock Show. The Nueces County Jr. Livestock Show and Sale has produced leaders in all walks of life, but somehow so many of the former exhibitors are still coming back to show their leadership and willingness to help volunteer and give back to the community.

We hope you enjoy the Nueces County Jr. Livestock Show and Sale and thank you for making our Show exactly what it is: "A World Class Opportunity for Youth, An Investment in our Future."

Sincerely,
Mary Truesdale
President
